

Crochet Dog Bed Pad

Pattern by KnitsyCrochet - Copyright 2011. Please do not copy, sell or redistribute pattern. Feel free to sell finished product.

You Will Need:

8.0mm Crochet Hook
3 Skeins Bernat Baby Blanket Yarn in Main Color
1 Skein Bernat Baby Blanket Yarn in Accent Color
Yarn Needle
Scissors

Gauge:

4 Inches = 8 Stitches and 7 Rows

Sizing:

This pattern makes a bed pad approximately 18x12 inches. A larger pad will require more yarn.

Note:

To make a custom sized pad: Measure the length and width of your dog's crate. Do the beginning chain to match the width measurement. Subtract one inch from the length measurement. Continue with the pattern, repeating rows 2 & 3 until this measurement is reached. Your pad should be slightly smaller than the required measurements. The Accent Color row will make up for this.

Instructions:

Make Two in Main Color

Ch24. (Or chain until width of your dog's crate is reached.)

Row 1: Sc in 2nd ch from hook. (Dc in next ch, sc in next ch) Repeat across. Turn.

Row 2: Ch1, dc in 1st sc. (Sc in next dc, dc in next sc) Repeat across. Turn.

Row 3: Ch1, sc in 1st dc. (Dc in next sc, sc in next dc) Repeat across. Turn.

Row 4-30: Repeat Rows 2 & 3. (Or continue until length of your dog's crate, minus one inch, is reached.) Fasten off.

Accent Color Round:

With accent color, holding both pieces together, sl st in one corner. Ch1, sc evenly around piece, working 3scs in each corner. Sl st to 1st sc. Fasten off. Weave in ends.
